To Whom It May Concern,

I hope this letter finds you in good health and high spirits. I am writing to confirm a matter of great importance regarding the financial transactions between My Ten Nights and Naseeha Mental Health.

It is with immense gratitude that I acknowledge the commitment made by My Ten Nights to support our organization. We at Naseeha are incredibly pleased to confirm that we are receiving 100% of the funds raised through the platform provided by My Ten Nights.

The generosity and trust placed in us by both My Ten Nights and its community of donors are not taken lightly. These funds are vital to our operations and will directly contribute to the services we provide. The full amount being passed on to us ensures that we can maximize the impact of every dollar for those we serve.

We are deeply appreciative of this partnership and the transparent and efficient process established by My Ten Nights, which allows donors to support our cause seamlessly. This collaboration reflects a shared vision of making a positive difference in the lives of individuals who reach out to us for help.

Please accept our heartfelt thanks for your support and the pivotal role you play in enabling us to fulfill our mission. We look forward to a continued partnership and the collective success it will bring.

Warm regards,

Amna Naqvi
